☐ Please check if any of the above information has changed since previous year.

II. Mining and Reclamation

1. Was the mine active during the past year? Yes ☐ No ☒
2. If active, how much ore or mineral was mined? None

3. How much additional acreage was disturbed during the past year? 0 acres
4. Briefly describe any new or additional surface disturbances that occurred during the past year. This description should include the type of work performed, and volume of material moved.

None

5. How much acreage was reclaimed during the past year? 0 acres

6. Briefly describe the reclamation work performed during the past year. This description should include methods employed, and an evaluation of the results.

None

7. What is the total disturbed acreage at years end? About 3 acres

8. Briefly summarize any mining and/or reclamation plans for the upcoming year.

Shaft and underground rehabilitation. Underground drilling and drifting.

General site clean up and maintenance

NOTE: Section III., "Additional Information" applies only to large mining operations.

III. Additional Information

1. An updated surface facilities map should be attached if there have been significant changes since the previous map was submitted.
2. Any monitoring results or other reports that are required under the terms of the approved notice of intention should also be attached.

IV. Signature Requirement

I hereby certify that the foregoing is true and correct.

Name (Typed or Print):

A. Paul Mogensen

Title of Operator:

President

Signature of Operator:

A. Paul Mogensen

Date:
